

REMARKS

Claims 1-9 have been allowed. Claim 2 has been amended. No new matter has been added.

Claim 2 has been amended in order to correct a minor inconsistency in the language. No new matter has been added.

Applicants request entry of the foregoing amendments for the reasons given and because the amendments do not change the scope of the claims in a manner that requires further search and/or examination. Further, the amendments were not earlier presented because the need for the amendments was not recognized until the Notice of Allowance was received and the allowed claims were reviewed.

Conclusion

In view of the foregoing, Applicants respectfully request acknowledgement of changes before issuance in this case.

Respectfully submitted,
